And since all the Major game developer don't make a lot of games and updates for mac, its really hard to say if will work on your mac.. Backyard Baseball Digital Download. So basically you can get the game if you are risk taker, and hope it works with your mac, and if doesn't than, well if you really wanna run the game, then i suggest you should get Boot Camp for Mac, and Windows 7 Cd.. Boot Camp will let you run Windows on your Mac machine, allowing you to play the game even if the game is incompatible with Mac os x leopard or snow leopard I'm not a Mac expert, not even a user, but my brother used to have a Mac Os 9 up until he had to give it up for inconvenience that Macs had become for him, so he switched to Windows.
